Getting your picture to North High School:

- Area studios generally send photos directly to school.

Please check with your studio to make sure that has been done!

- Digital copies are required –

→ email: nhsyearbook@aasd.k12.wi.us Do not shrink the file size. It should be at least 1MB for us to use.

→ The Replay It app may be used to upload photos. Directions are on the North website in the “Yearbook” tab. Photos MUST be tagged “senior photo” and with the student’s name.

→ If you only have a hard copy of the photo, you may use the district printer to scan a copy of the photo as a jpeg image. Make sure it is at least 300dpi and scanned in color. The photo will then be sent to your email account and can be forwarded to the email above.

ATTENTION SENIOR PARENTS!

Please carefully read the following information regarding your chance to submit a “Yearbook Grad Ad”

Every year one of the most popular sections in the Appleton North Yearbook is the senior grad ad section. These ads can be sentimental, funny, philosophical, or poetic.

But they can’t be late!!!

Every year we have to say no to disappointed loved ones who had hoped to place an ad to celebrate the graduation of their favorite senior. The deadline for these ads is permanent and will be mentioned several times.

We apologize but we can’t accept ads after the due date.

Space is also limited to 64 ads. So don’t wait until it’s too late.

To create your ad, please click on the link “senior grad ad”.

All ads are created electronically by families.

Our yearbook staff will still be proofing all ads.

- Cost: \$35
- Deadline: January 19th (This is a firm deadline. The site can NOT be accessed after this date.)

Pictures may be in color or black & white and can be any dimension as they can be electronically sized.

Please make sure pictures & messages are school appropriate.

The yearbook staff reserves the right to reject ads that aren't appropriate.

If any errors / issues with the ad, Ms. Ehlers will contact you using the email given.

Any questions, please contact the yearbook advisor:
