K. Tollefson U.S. History and World History: notebook/folder, pens/pencils, colored pencils, box of kleenex

J. Vandenheavel Chemistry: Scientific calculator (with log key) Chemical splash goggles

A. Vanderloop Loose-leaf paper Pens/pencils 3 ring binder

K. Vanfossen 3-ring binder Loose-leaf paper Graph paper Calculator Ruler Box of Kleenex Pens/pencils

T. Westby art supply fee for Drawing and Painting classes

J. Vandehey 3 ring binder; Loose-leaf and graphing paper; ruler See attached Math Department supply list (page 7)

J. Wohlt 3 Ring Binder Loose-leaf paper Pens/pencils

J. Zitzelsberger

Teacher's that aren't listed, please buy the basics for that class. The first week of school you will receive information regarding supplies that are needed.

Thank you!

Math Department Supply List

Appleton North High School

All math students are expected to come to math class with the following items each day:

- ❑ Pencils
- ❑ Graph paper required. Grid paper notebook preferred.
- ❑ Calculator (see below for type)
- ❑ Ruler for graphing
- ❑ Protractor & Compass specified by your Geometry Teacher

Students may also be required to have additional supplies specified by their math teacher. See North Teacher Supply List.

Calculators needed for Math Courses:

Algebra 1A, Algebra 1B, Algebra,
Geometry and Math Topics

Scientific Calculator
Texas Instrument TI-34 (Preferred)

Algebra II, Algebra II for Pre-Calc,
College Prep, Pre-calculus,
Statistics, Calculus AB, and Calculus BC

Graphing Calculator
Texas Instrument TI-84/83 (Preferred)

Note about Calculator Usage:

Calculators are used extensively in most math classes for investigations and problem solving. However, it is expected that students know basic number facts and be able to perform simple math computations mentally or with paper and pencil. In each math class at Appleton North there will be times when a calculator is NOT allowed. Some quizzes or tests (or portions of them) may be non-calculator based.
