

## **STUDENT PARKING / PARKING.....REVISED FOR 2018-19**

Student drivers, or persons driving students to or from school, are expected to obey all rules of the road and safe driving practices. Students must park their bicycles and motor vehicles in the designated Student Parking Areas. Parking in an area other than the designated Student Parking Areas may result in disciplinary action (revoked parking privileges) and/or ticketing by police and/or towing from the North's campus. Parents should drop off students (am and pm) in the back parking lot, not the front, because numerous Valley Transit and Lamers busses need a clear lane to transport students without traffic congestion.

### **APPLETON NORTH HIGH SCHOOL PARKING POLICY**

**Junior and Senior** students wishing to drive a vehicle to school and park in the school parking lot will need a parking permit. Permits are \$5.00 (which covers the cost). One parking permit per family will be issued so if you have multiple vehicles you will need to transfer your permit between them. All cars and their plates must be registered on your application [FORM](#). Application forms will also be available at registration and in the Student Services Office. Parking spaces are limited and not guaranteed.

**Sophomores** are allowed to drive to North but due to space restrictions, we are unable to give parking permits within the North lot. Parking is available on the street (Ashbury Drive).

Having a parking permit is a privilege. Students who are suspended in or out of school may have their permit removed. If a student receives a detention, they must serve their detention in a timely manner as agreed upon by Administration or they may also have their permit removed. Excessive tardiness may result in having this permit removed. It may also be revoked by the School Resource Officer or Administration as deemed appropriate.

### **VIOLATIONS**

Students will be penalized for violating school parking policy. Violations may be reported by any North faculty or staff member or concerned adult. The following are considered violations: 1. Providing false or misleading information 2. No current permanent or temporary pass properly displayed 3. Parking anywhere other than in designated areas 4. Not parking inside the lines. 5. Using another person's pass (BOTH parties will be ticketed.) 6. Driving too fast or recklessly 7. Not following normal traffic pattern 8. Squealing tires (including entering and exiting the lot) 9. Not yielding 10. Lack of courtesy (includes butting in, failure to alternately merge, etc.) 11. Making too much noise (engines or stereo) 12. Having any display (includes bumper stickers) that does not reflect a positive image for Appleton North High School 13. Unsafe conduct (including driving with persons hanging out the window, on the outside of the vehicle, etc.)

### **PENALTIES**

The following are the penalties for violating the school parking policy: 1<sup>st</sup> violation, student receives a warning, and reviews school parking policy. 2<sup>nd</sup> violation, \$5 fine and student reviews school parking policy. 3<sup>rd</sup> violation, \$10 fine, plus eviction from school parking lot for a time determined by the Deans or Administration. Parking on school property after an eviction may result in vehicle being towed at owner's expense. Note: When a student receives a ticket, he/she must bring the ticket to Student Services within two school days. Failure to do so can result in doubling the violation, plus incurring a fine.

Note: Parking rules are in effect during regular school hours (7:00 a.m. – 3:30 p.m.).
