A. Shadick	Social Studies		

**Teachers that aren't listed, please buy the basics for that class. In the first week of school, you will receive information regarding supplies that are needed. There is always a need for tissue. Thank you!**

### **Math Department Supply List**

All math students are expected to come to math class with the following items each day:

- Pencils
- Graph paper required. Grid paper notebook preferred.
- Calculator (see below for type)
- Ruler for graphing
- Protractor & compass specified by your geometry teacher

***Students may also be required to have additional supplies specified by their math teacher. See North Teacher Supply List.***

## Calculators needed for Math Courses:

Algebra 1A, Algebra 1B, Algebra,  
Geometry and Math Topics

**Scientific Calculator**  
Texas Instrument TI-34 (Preferred)

Algebra II, Algebra II for Pre-Calc,  
College Prep, Pre-calculus,  
Statistics, Calculus AB, and Calculus BC

**Graphing Calculator**  
Texas Instrument TI-84/83 (Preferred)

---

### **Note about Calculator Usage:**

Calculators are used extensively in most math classes for investigations and problem-solving. However, it is expected that students know basic number facts and be able to perform simple math computations mentally or with paper and pencil. In each math class at Appleton North, there will be times when a calculator is NOT allowed. Some quizzes or tests (or portions of them) may be non-calculator based.
